

# Help make Milwaukie a more sustainable place to live and grow! Become a participant in the 2023 MESG Sustainability Fair

The fair will feature activities and events to ensure patrons will visit and stay. Not only will we be holding a Styrofoam recycling event, but we will also feature food and beverage vendors, local sustainable products, kid friendly activities, guest speakers, and educational booths.

We expect over 500 visitors and your business or organization can be featured as environmentally friendly. Rent a booth space today to inform our patrons of your commitment to our planet.

**Saturday, September 23rd, 2023, from 10:00 AM to 2:00 PM, at the Milwaukie City Hall Parking Lot** (where the Sunday Farmer's Market is held)

**Vendor Package—Only \$25 per 10'x10' Booth.**  
Receive pre-fair advertising on our website.

To discuss your vendor commitment please contact Terri Geier-Brindel or Pam Denham.

*You are responsible for any tables, chairs, tents or awnings you require. To be fair to the audience and vendors, you will be required to stay the entire four hour time. To promote access and opportunity in sustainability, MESG offers a sliding scale vendor fee for small business owners and vendors from communities that have been marginalized and underrepresented in this work. We welcome vendors from BIPOC, LGBTQ+, or disability communities to join us in promoting sustainability in Milwaukie with your products and services.*

*[Email milwenvironmentalstewards@gmail.com for more information.](mailto:milwenvironmentalstewards@gmail.com)*

By contributing, I agree to: provide tables and chairs, provide materials to Milwaukie Environmental Stewards Group (MESG) as needed for any advertisement; provide my own material and personnel for booth; being video recorded and resulting video shown for public viewing; and MESG may display material and advertisement and is not held responsible for errors in submitted content. I understand that multiple sponsors may be on advertisements and booths. Any proceeds will benefit MESG operations. MESG is a 501(c)(3) non-profit organization. Restrictions apply.

***Return this portion with payment for your booth.***

## Yes, I want a booth!
